

Bin Shabib & Associates (BSA) LLP Advocates & Legal Consultants

Bin Shabib & Associates (BSA) LLP launches new office in Beirut

BSA LLP announces the launch of its Beirut office which is now fully operational as of March 2011.

The significant growth witnessed in Lebanon, pointed towards an obvious business decision for BSA LLP to open its doors for the provision of legal services primarily in the following sectors:

- hospitality,
- banking and finance
- corporate restructuring

as a full service law firm, managed both from Beirut and Dubai and wholly owned by BSA LLP.

The new office is situated Emir Bashir Street - Hibat Al Maarad Bldg - 1st Floor
Beirut - Down town –Lebanon and will be staffed by Lebanese lawyers based in Beirut and seconded from Dubai, with full rights of audience before the Beirut Courts and fully licenced by the Beirut Bar.

BSA LLP's Beirut key contact lawyers are :

Fadi Masri, Managing Director | BSA LLP, Beirut

Fadi Masri has an extensive experience of more than 18 years in corporate and commercial law.

He is the legal advisor of several large and medium-sized trading, industrial and services companies operating in Lebanon and abroad.

His expertise covers initial corporate registration, legal and fiscal set-up and all legal matters related to implementation.

He has advised trading and industrial companies in expanding their businesses to MENA countries. He worked in this respect on drafting commercial agreements, joint ventures and franchise contracts. He is also skilled in commercial and individual legal debt recovery.

He has also advised several European clients in investments in the region, real estate acquisitions and set-up of Off-shore companies. Finally, Fadi is an expert in wealth management advice and family assets management and has executed several legal inheritance operations.

Fadi holds an LL.B degree from St Joseph University, Lebanon and is member of the Beirut Bar Association.

Johnny El Hachem- Partner | Corporate BSA LLP, Beirut

Johnny El Hachem has a full range expertise of legal services in a variety of legal matters ranging from penal and civil law, to commercial and business law general corporate work, mergers and acquisitions, and structuring foreign investments to specific industry sectors.

Johnny has built a strong and valuable experience over years in all matters relating to Commercial Law and more specifically competition, franchising, distribution, and management agreements.

She assists our clients from the initial establishment of their company through all aspects of its evolution and operation. She builds for them corporate and tax structures that fit best and advise on every step of the way so they could enjoy developing their business and take advantage of all exemptions and particularities of the Lebanese system.

Johnny has also handled a number of IPO and PPM projects, as well as advising on incorporation and privatization within several industries including entertainment and hospitality.

BSA LLP Beirut lawyers cater to the requirements of an already established clientele which saw its business revenue grow over the last few years in a swiftly developing market fuelled primarily by a robust and diversified private sector.

Committed to its clients' requirements, the BSA LLP Beirut office aims to be regularly represented in the legal community through legal updates, conferences and publications on judicial and commercial developments in Lebanon. Please visit our website for further information.
